Amendments to the Specification

In page 22, lines 29-33 of the Application, please replace the paragraph with the following paragraph, as amended:

The source solicitation screen 132 may alternately comprise a selection <u>of</u> sources 16 which are implicitly determined, such as based on entered search parameters 108. For example, in a user USR entered search string 106 which includes a term lodging, a choice of travel specific sources 16 may be provided for the user USR, such as to refine a search based upon ratings from one or more travel-related sources 16.
